UNITED STATES INTELLIGENCE BOARD

COMMITTEE ON DOCUMENTATION

Subcommittee on Classification

MEMORANDUM FOR: Chairman, Committee on Documentation

SUBJECT : Annual Report

1. Your subcommittee approved the changes incorporated into the second edition of the Intelligence Subject Code (ISC) as well as the new format. 1400 copies of this edition dated January 1962 were distributed to all member agencies, leaving a balance of 1100 copies for additional needs.
2. The individual entries in the second edition were listed from IBM punched cards. This makes it possible to use machine techniques for up-dating the code as changes are approved and to publish individual pages, or sections, or the whole code at any time without having to re-verify each individual entry.
3. The subcommittee held one formal meeting during the reporting period and issued three papers, as follows:
  - a. CODIB-SCC-D-4, 11 August 1961; subject: Amendment 3 to the Revised Intelligence Subject Code and Area Classification Code dated February 1960.
  - b. CODIB-SCC-D-5, 12 February 1962; subject: Intelligence Subject Code - Section Edition dated January 1962.
  - c. CODIB-SCC-D-6, 18 May 1962; subject: Subject and Area Code Changes in the 1962 Edition of the Intelligence Subject Code.
